11 July 1974

TO: [REDACTED] 25X1A9a
NIO for Conventional Forces/MBFR

SUBJECT: First Draft Titled: MBFR Monitoring Study, Part I,
The Search Problem

Reference: Study Group meeting of 25 June 1974.

1. Enclosed are 15 copies of the subject paper, redrafted as recommended by the Study Group on 25 June 1974.
2. I suggest that copies be provided the Study Group members a few days in advance of the next meeting in order that each member can prepare his comments and recommendations prior to the meeting.

3. [REDACTED] has indicated that he will be prepared to present at the next meeting a 20 minute briefing to the Study Group on current SAL research requirements which you indicated would be of interest to you and the Study Group. In addition, LTC Fielder, DIA, is prepared to present a 20 minute briefing on the methodology the all-source analysts are using during the scoring phase of Part I.
